FLIRT

A workshop that strips bare the office flirts amongst you

Who is it for?

Anyone and everyone not affrighted by the power of the flirt!

What is it about?

A genuinely unique experience, this light-hearted event will have delegates in stitches while encouraging team bonding and improved communication skills. Ideal for groups up to 30.

What happens?

We look at several techniques used in eastern theatre to energise your daily presence and dazzle all mortals who come into contact with you.

The secret skills of the eastern performer were until now unknown in the western world. Learn them. Use them. To manipulate people. To improve business relationships - or just to be more popular down the pub.

WE WILL SHOW YOU HOW TO HAVE PEOPLE DANCING LIKE PUPPETS AROUND YOUR CHARISMATIC SELF!

- How to pose/impose your flirtatious presence on all you survey
- The dangers of over flirting. No one likes an arse!
- The eyes are the mirror of the flirt's soul. How to use them
- Targeting prey

You need to... enjoy the day

disclaimer; we cannot be held responsible if these dark arts are used against innocents for the personal gain of flirts.

*I wish to bite the forbidden apple of flirtatious knowledge,
I will not be affrighted by the power of flirt.*
