## HOW TO BE A SUPERHERO

*Imagine if everyone in your company could be turned into a Superhero.....*

### Who is it for?

Anyone looking for a creative way to entertain, motivate and inspire at conferences and events. This uniquely interactive presentation engages delegates and offers them tangible methods of becoming more powerful and dynamic people.

### What is it about?

What makes a Superhero Super? We have undertaken extensive research to produce a 10 step plan that will turn you from mere mortal into a pulsating Superhero. A combination of theatre, stand-up, keynote speech and lycra, "How to be a Superhero" is an 75 minute extravaganza that equips up to 500 people with the ability to become a Superhero – and transforms 4 lucky individuals in front of your eyes...

- INTERACTIVE – we get the whole audience involved and give 4 lucky volunteers the chance to become real live heroes
- ENTERTAINING – skilled performers engage the audience to deliver exceptional performances that entertain and amaze
- TEAM BUILDING – a positive and energising event to inspire and motivate everyone from the receptionist to the MD
- UNIQUE – award winning theatre meets business excellence in the most imaginative conference presentation you have ever seen
- POWERFUL – this presentation delivers tangible methods that will make you into a more charismatic and dynamic communicator

**Be entertained. Be motivated. Be inspired.  
But most of all... be SUPER!**
